General Safety Information

- 1 This rack must be used on a firm level surface which is free from clutter.
- 2 Do not use this tool whilst under the influence of drugs, alcohol and intoxicating medication.
- 3 Do not use this tool for any other purpose other than that for which it is intended. This tool is not intended as a climbing frame or tethering point.
- 4 Do not allow children and other unauthorised persons to use this equipment.
- 5 Due to the nature of the manufacturing process, there may be some sharp edges on some components of this equipment. It is strongly recommended that hand protection is worn when using this tool.
- 6 Do not use this rack to hold any more than 10 panels, over loading this rack will reduce the stability of the load.
- 7 Always be aware of those around you and keep in mind that your actions have a direct effect on your colleagues and visitors.

Environmental

- 1 Ensure that all packaging is disposed of in a responsible manor.
- 2 At the end of its life, this tool can be disposed of along with your normal waste, always consult local authority guidelines first.
